GENERAL FAQs

SHOULD I TELL YOU IF I DON'T WANT THE BOOTH PACKAGE FURNISHINGS IN MY BOOTH?

- The booths at the Holiday Market are not provided with any furnishings, electrical service, or carpet. All items are by exhibitor order only.

CAN I SUBSTITUTE MY TABLE INCLUDED IN THE BOOTH PACKAGE FOR A DIFFERENT TABLE?

- The booths at the Holiday Market are not provided with any furnishings, electrical service, or carpet. All items are by exhibitor order only.

CAN I CHOOSE THE SKIRT COLOR ON THE TABLES?

- No. We design your booth package furnishings, including colors, with show management. You are allowed to bring your own table covering to use.
- However, CDS cannot staple or attach your table skirt to our tables.

WHAT HAPPENS IF I FORGET TO CHOOSE A SKIRT COLOR FOR MY TABLE?

- Most shows have a predetermined color selected by show management for the drapes, dividers, and skirts so choosing is not an option.
- There are a few shows that allow exhibitors to choose skirt color. If that is the case, and you forget, CDS will first contact exhibitors for their preference. If we don't hear back from you, the default color will be used.

ARE RENTAL PRICES PER DAY?

- No. Rental prices are for the duration of the show.
The only price that is per day is cleaning (See the booth cleaning order form).

AM I ALLOWED TO BRING MY OWN FURNITURE OR CARPET?

- Yes, this is allowed.

WHAT CHAIRS WILL FIT UNDER THE 42" HIGH TABLES?

- The high stools fit under the counter-height, 42" high tables. (See the table and furnishings order form)

I HAVE A 10' X 10' BOOTH BUT ONLY SEE 9' X 10' CARPET LISTED ON THE ORDER FORM. IS THAT THE SIZE I NEED TO ORDER?

- Yes, that is the correct size for a single 10' x 10' booth.

I HAVE A 10' X 20' BOOTH BUT THE SHOW SPECIAL ONLY LISTS 9' X 10' CARPET AND PAD.

HOW DO I ORDER CARPET FOR A LARGER BOOTH?

- For a 10' x 20' booth, you will order two show specials but one piece of 10' x 20' carpet will be placed.
- For a 10' x 30' booth, you will order three show specials but one piece of 10' x 30' carpet will be placed.

MY BOOTH CARPET IS DIRTY FROM MOVING IN. WILL CDS CLEAN IT?

- The booth carpet is clean when it is installed, and exhibitors begin moving in.
- If the carpet in your booth needs to be vacuumed from your move-in, exhibitors can order opening day only cleaning or daily booth cleaning. (See the booth cleaning order form)

WILL CDS EMPTY MY TRASH?

- CDS does not provide trash removal unless the empty waste basket service has been ordered.
- Exhibitors can order opening day only trash removal or daily trash removal. (See the booth cleaning order form)

CAN I PLUG MY OWN ELECTRICAL CORD INTO THE FLOOR BOXES AT THE FACILITY?

- For safety reasons, exhibitors are not able to plug any electrical cords into the floor boxes, wall outlets, etc.
- The show's electrical contractor is liable for electrical installations and therefore must perform all electrical floor or booth work.
- While it may seem simple to plug in an electrical line, lights, and equipment, it is not uncommon for exhibit or non-electrical staff to overload circuits. Troubleshooting can become time consuming when it is difficult to find the source of a problem which cuts into your set up time.

CAN I USE MY OWN EXTENSION CORD?

- Exhibitors may use their own extension cords and power strips under the following conditions:
- The equipment must be 3 wire, 14 gauge minimum with a ground.
- All power strips must have circuit protection.
- The extension cord will be plugged into a CDS electrical line.

WHEN WILL MY CREDIT CARD BE CHARGED?

- Throughout the show process, there is a possibility of three (3) charges: pre-show, show, and post-show.
- Pre-show charges may include all items ordered in advance (tables, chairs, carpet, electrical, labor, material handling for advance warehouse freight).
- Show charges may include show site orders, installation labor, and material handling for direct to site freight.
- Post-show charges will include dismantle labor, possible material handling, possible on-site rentals and any charges incurred from the move-out of the show.

WHEN WILL I RECEIVE MY RECEIPT?

- Once the order and payment has been processed, we will email a receipt to the email address on the order form.
- Please note that there WILL BE a delay from when you send the order to when we process it, sometimes as much as a few weeks.
- We are always working on current shows taking place in the next 2 weeks and sometimes we are out of the office on a show site, so we aren't always able to process orders immediately for a show that is 4 to 6 weeks in the future.

I SUBMITTED MY ORDER BY THE ADVANCE DEADLINE BUT HAVE NOT RECEIVED A RECEIPT.

- If you submit your order by the advance date, you will receive the advance price, even if it is not processed by that date.
- If we have replied and acknowledged your order, you will receive a paid receipt once it is processed.
- If you haven't received the receipt, it means we haven't processed it.
- If you do not receive a reply from me regarding your emailed order, it means I haven't received your email.
- However, if you are concerned that you haven't received a receipt, please email me at brooke@cds1958.com or call me at 601-948-4228 if you would like additional confirmation of your order.

If you have any additional questions or concerns, please email me at brooke@cds1958.com or call me at 601-948-4228 and I will be happy to assist you.

ELECTRICAL SERVICES FREQUENTLY ASKED QUESTIONS:

Ordering electrical service is an inevitable part of tradeshow preparation. For most tradeshow exhibits, the electrical requirements are pretty cut and dry.

Typically, a 10' x 10' booth that has a pop-up display or a few lights will only require one standard minimum service outlet (5 amp/500 watts) placed at the back of the booth and that is all that is needed. If the booth also has a laptop, lead retrieval, or point of sale, etc., then a second minimum electrical outlet is advised. It is always a good idea to keep your lighting and your point of sale or other items on separate lines.

Heavy duty equipment such as 220 volts/208 volt single or three phase is used to operate heavy equipment. This type of service is expensive and should be ordered by someone who is familiar with the equipment.

HOW CAN I SAVE MONEY AND FRUSTRATION WHEN ORDERING ELECTRICAL SERVICES?

- Most importantly, make sure to submit your order before the discount price deadline date listed on the electrical order form.
- Orders received after the discount price deadline date or on the show floor are subject to a 20% to 25% increase in cost.
- Don't underestimate your power requirements and work within the local rules and regulations and union jurisdictions. Those rules and regulations have been implemented to avoid problems.
- While it may seem simple to plug in an electrical line, lights, and equipment, it is not uncommon for exhibit or non-electrical staff to overload circuits. Troubleshooting can become time consuming when it is difficult to find the source of a problem which cuts into your set up time, not to mention cause damage to your equipment.

HOW MANY OUTLETS WILL I HAVE TO PLUG IN TO? HOW MANY ITEMS CAN I PLUG IN?

- You should always assume that there is only one connection point per outlet ordered.
- Power strips can provide additional sockets for you to use but do not confuse having more places to plug in with additional power.
- If you order one 500 watts/5-amp connection and use a power strip, everything combined that you plug in to the power strip cannot exceed the 500 watts ordered.
- Also remember that power strips are designed to trip at 1500 watts or 15 amps. If you use a power strip with a 2000 watt or 20-amp electrical outlet, it will reduce your power to 1500 watts/15 amps.

HOW MANY OUTLETS WILL I NEED?

- Items like laptops, televisions, lead retrieval, phone chargers, etc. can be grouped together on one circuit provided they do not exceed the overall limit of watts/amps ordered.
- Some pieces of equipment do require its own dedicated circuit to run properly. Items such as a microwave, refrigerator, toaster, toaster oven, coffee makers, hot plates, blenders can overload circuits. Therefore, you would not plug one of those and a laptop into the same electrical line. Always order a dedicated electrical line for those items.

CAN I PLUG MY OWN ELECTRICAL CORD INTO THE FLOOR BOXES OR WALL OUTLET AT THE FACILITY?

- For safety reasons, exhibitors are not able to plug any electrical cords into the floor boxes, wall outlets, etc.
- The show's electrical contractor is liable for electrical installations and therefore must perform all electrical floor or booth work.
- While it may seem simple to plug in an electrical line, lights, and equipment, it is not uncommon for exhibit or non-electrical staff to overload circuits. Troubleshooting can become time consuming when it is difficult to find the source of a problem which cuts into your set up time.

CAN I USE MY OWN EXTENSION CORD, MULTI STRIP, POWER SURGE, ETC.?

- Exhibitors may use their own extension cords and power strips under the following conditions:
 - The equipment must be 3 wire, 14 gauge minimum with a ground and UL approved.
 - All power strips must have circuit protection.
 - The extension cord will be plugged into a CDS electrical line. NO EXCEPTIONS
- You cannot plug directly into the facility floor boxes, wall outlets or columns.
- REMEMBER:
 - Power strips merely give you additional outlets.
 - Surge protectors protect your equipment from spikes in electrical voltage.

WHEN WILL MY ELECTRICAL CORD AND POWER BE IN MY BOOTH?

- Power is only guaranteed to be installed before the show opens.
- If CDS is allowed early enough access to the facility, power is normally in your booth the first day of exhibitor move in, but there is no guarantee that will always be the case.
- If you have special requests for temporary power to test machinery or equipment, please note that on your order form and we will do our best to accommodate.

DO I NEED TO ORDER POWER FOR MY LIGHTING NEEDS?

- Exhibitors supplying their own lighting or renting lights will need to order power.
- If you need CDS to hang your lights, you will need to order labor.

IS THE PRICE FOR ELECTRICAL PER DAY?

- The cost of electrical service is for the duration of the entire show.

WHERE WILL MY POWER BE LOCATED?

- The power source will be located on the floor somewhere along the rear drape line of your booth.
- If you would like your power in another location, please submit an electrical layout with the location indicated.
- Please keep in mind that CDS will be limited to where we can place the power source due to the locations of the floor boxes from which the outlets are fed.

HOW DO I KNOW IF I NEED A 208V SINGLE OR THREE PHASE CONNECTION?

- Most exhibitors do not require special connections like a 208V. These types of electrical services are for heavy equipment and/or specialized equipment. All equipment is stamped or labeled with electrical ratings usually found on the back or bottom of the equipment.
- Standard office and household items operate on 110/120-volt power.

ELECTRICAL USAGE GUIDE

All wattage values listed below are estimates only.

You should refer to the name plate, usually located on the back or bottom, to determine the actual wattage required for your item(s) and place your order for the corresponding watts for each piece of equipment to avoid tripping/power outages during the event.

CDS is not responsible for damage to equipment for exhibitors' failure to order/supply the correct wattage.

SHIPPING AND MATERIAL HANDLING TIPS

It is the responsibility of the exhibiting company to arrange all shipments to the CDS advance warehouse or the Venue.

Exhibitors should make certain that all material is properly insured against fire, theft, damage, and all hazards while in transit, to and from your booth, and for the duration of the show. While it is understood that Convention Display Service, Inc. will use its best efforts to protect the Exhibitor's property, it is not responsible for loss, theft, or damage.

WEIGHT AND PIECE COUNT

Material handling charges are calculated by total weight of each delivery made to receiving dock via LTL Carriers. Consolidate your shipment whenever possible. Separate shipments received by CDS will not be combined. The appropriate charge applies to each shipment that CDS receives. Shipments arriving at the same time from different carriers are considered separate shipments. Please be aware that FedEx and UPS may split shipments resulting in CDS receiving multiple shipments.

BILLED WEIGHT is based on incoming weight, whether the material handling services by Convention Display Service are used completely or in part. The weight is rounded up to the nearest one hundred pounds (100 lbs.) and is taken from the INBOUND BILL OF LADING and/or the Certified Weight Ticket. Shipments arriving without a specified weight on the Bill of Lading will be assigned an approximate weight by Convention Display Service. These weights will prevail.
THERE IS A 200 lb. MINIMUM CHARGE ON ALL SHIPMENTS OVER 50 lbs.

Shipments received without individual carrier receipts (UPS, FedEx & other small package, or specialized carriers) will be delivered to the booth without guarantee of piece count or condition. No liability will be assumed by CDS for such shipments.

A Credit Card Must Be on File If Material Handling Services Are Required.

ALL SHIPMENTS MUST ARRIVE FREIGHT PREPAID. COLLECT SHIPMENTS WILL BE REFUSED.

CDS MATERIAL HANDLING CHARGES DO NOT INCLUDE PAYMENT OF CARRIER CHARGES

Outbound shipments

Outbound shipping is not an automatic process. Outbound Bills of Lading must be completed and turned in to the CDS Service Desk. Do not leave outbound Bills of Lading in your booth. Exhibitors who wish to ship outbound materials via any carrier other than the official show carriers (ABF and FedEx Air) must make the outbound arrangements with their carrier. Should your carrier fail to arrive by the designated time or refuses to pick up your shipment for any reason, CDS reserves the right to re-route shipment via the official show carrier as necessary, at the exhibitor's expense.

NOTE: Any items left on the show floor will either be brought back to the CDS warehouse and additional charges will be incurred or re-routed with CDS designated carrier.

Holiday Market 2023

SHIPPING INFORMATION AND INSTRUCTIONS

Material handling is the process of receiving your materials, either at the advance warehouse, delivering them to your booth, removing the empty containers for storage during the show, returning the empty containers to your booth at the close of the show, delivering your materials back to the dock and loading outbound shipping. Material handling fees are a round trip fee.

ADVANCE SHIPMENTS

- Advance shipping is the recommended option, as some convention centers, hotels and facilities do not have facilities for receiving or storing freight. Items shipped to the CDS advance warehouse will be stored for 30 days prior to the show and will be delivered to the exhibit hall and your booth by the CDS team.
- The advance warehouse will begin receiving shipments on Tuesday, August 8, 2023.
- All advance shipments must arrive by Wednesday, September 6, 2023
- Receiving hours are 8:00 am until 4:00 pm, Monday through Friday. Shipments are not received on weekends or holidays.
- All shipments must be prepaid. Collect shipments will be refused by CDS.
- Shipments received without receipts, bills of lading, freight bills or specified unit counts on the receipts, bills of lading or freight bills from carriers will be delivered to the exhibitor's booth without guarantee of piece count or condition. Material handling and additional charges may apply.
- Small packages – Cartons, envelopes, etc. under 50 lbs., received in a SINGLE shipment- will be charged \$30.00 for the first piece and \$12.00 for each additional piece in the same shipment.
- Pricing is based on weight of shipment received. If no weight ticket or inaccurate weight tickets are indicated on the delivery documents presented, CDS reserves the right to estimate, and charges shall be based on the estimates. The estimated weight shall be final and binding if actual scale weight figures are not submitted prior to the close of the show.

OUTBOUND SHIPPING

Outbound shipping is not an automatic process. Please read!

- Remove all old shipping and “empty” labels. If you are unable to remove the inbound labels, mark through the old address with a marker or pen. Be certain each piece is labeled with the NEW DESTINATION ADDRESS.
- It is your responsibility to make certain that your shipments are re-packed, labeled and properly executed shipping documents are tendered to CDS before departing show floor.
- If you have multiple items to be shipped, group the portions together so a stray piece will not be overlooked.
- Consistent with trade show industry practices, there may be a lapse of time between your departure time and the actual pick up of your materials. During this time, your materials will be left unattended. We recommend that you arrange for a representative to stay with your materials. If you prefer, you may leave your packed materials in your booth unattended, with the understanding that CDS is not responsible for any lost, stolen, or damaged materials.
- A bill of lading, freight bill or air bill is required on ALL outbound shipments, regardless of carrier and is mandatory for CDS to release your materials to your specific carrier at the close of the show.
- After your materials are packed, labeled and ready to be shipped, return the completed bill of lading, material handling, return shipping forms, along with the Credit Card Authorization to the CDS Service Desk. DO NOT LEAVE OUTBOUND BILLS OF LADING IN YOUR BOOTH.
- The preferred show carriers are ABF/ArcBest and FedEx Air. CDS can make outbound arrangements with ABF/ArcBest and FedEx Air only! Exhibitors must provide their account numbers and billing information for CDS to schedule arrangements. CDS is not responsible for carrier charges.
- Exhibitors who wish to ship outbound materials via any carrier other than the official show carriers MUST call them to arrange on-site pick up. Be advised that most carriers will not come the day they are called. Plan ahead!
- If using an alternate carrier, please provide CDS with shipping documents and/or labels as well as the CDS return shipping form for documentation.
- All carriers must at the Mississippi Trademart for outbound shipment pick up by 5:00 pm on Saturday, June 2, 2023.
- If a carrier fails to arrive by 5:00 pm on Saturday, June 2, 2023, CDS reserves the right to clear the floor and re-route shipments via one of the show carriers at the exhibitor's expense. CDS assumes no liability for such removal or re-routing. NO shipments will be left on the show floor.
- Shipments without paperwork turned in to CDS will be forced onto another carrier at Exhibitor's expense.

1) FedEx Air (**NOT GROUND OR FREIGHT**)

- FedEx Air is:
 - 3-day saver
 - 2-day afternoon
 - 2-day AM
 - Standard Overnight
 - Priority Overnight
 - First Overnight

FedEx Air restrictions:

- Each package must weigh 150 lbs. or less.
- No larger than 119" in length
- NO PALLETS!
- **Pallets and anything over 150 lbs. CANNOT BE SHIPPED FEDEX AIR OR GROUND.** Those items will need to be shipped FedEx Freight.
- Exhibitors must supply their FedEx Air account number to CDS via the return shipping form in the packet (NOT GROUND OR FREIGHT). CDS does not pay freight carrier shipping charges!
- Exhibitors must complete a FedEx Air bill for EACH package they are shipping. FedEx WILL NOT pick up items without a completed air bill on each piece being shipped.
- Exhibitors – DO NOT leave any shipments in the booth and assume they will be picked up!
CDS will not be responsible for any freight that is left due to the exhibitor walking off the show floor without speaking to CDS staff.

2) ABF / ArcBest

- Exhibitors must complete an ABF Bill of Lading and turn it in the CDS staff on site.
- Each piece in the shipment must have an outbound delivery address label attached, completed by the exhibitor.
- The pro number on the Bill of Lading for the shipment will be attached to each individual piece in a single shipment by ABF/ArcBest.

3) UPS Ground (NOT FREIGHT)

- CDS can make the outbound arrangements with UPS Ground BUT exhibitors will need to supply the outbound label. CDS does not have outbound UPS labels.

Holiday Market - 2023

FOR ANY OTHER OUTBOUND CARRIERS:

EXHIBITORS WILL NEED TO SCHEDULE THEIR OWN PICK-UP ARRANGEMENTS WITH ANY CARRIER OTHER THAN THOSE LISTED ABOVE. CDS CANNOT MAKE 3RD PARTY ARRANGEMENTS WITH ANY OTHER CARRIERS!

Exhibitors must supply CDS with a completed BOL regardless of the carrier they are using, even if they have made their own arrangements.

Do not leave any shipments in the booth and assume they will be picked up!
CDS will not be responsible for any freight that is left due to the exhibitor walking off the show floor without speaking to CDS staff.

If exhibitors do not have a bill of lading, they can request a generic bill of lading at the service desk to complete and write the name of their carrier across the top.

For liability reasons, and to ensure an exhibitor's freight is loaded properly, all carriers MUST be able to request the shipment by company name, what they are picking up, along with a bill of lading or other documentation. Please be sure to instruct your carrier to do so or we will not release your freight.

Shipments will not be released without proper documentation from an exhibitor's carrier or until payment has been received for CDS material handling charges. All carriers will need to have documentation of the company name and what items they are scheduled to pick up, either a paper bol or electronic bol, etc.

WE WILL NOT RELEASE FREIGHT TO A DRIVER THAT SAYS, "I'M HERE FOR A PICKUP." BUT CANNOT TELL US 1) THE COMPANY NAME HE IS PICKING UP FOR and 2) WHAT ITEMS HE IS SUPPOSED TO PICK UP.
